Dear Sirs,

I refer to my subscriptions numbers CH1300537 (Maghreb Machrek) and CH1300486 (Problèmes d'Amérique Latine).

I'm interested in renewing both for 2017 only the "papier" format, but before doing it, I would like to confirm that such publications are still been issued. The last numbers I received arrived in August 2016. They were the number 99 of Problèmes d'Amérique Latine and the number 224-225 of Maghreb Machrek. I have visited your web page and in fact those are the last numbers that seem to have been issued.

I would like to be informed of the situation of these publications. Previously the annual subscription included 4 issues in the year and, at this point I don't know how many numbers are issued, since, according to your web page, the last numbers correspond to 2015 and no issue seems to have been published in 2016, so, I don't really know which numbers were included in our 2016 subscription.

I keep waiting for your comments on this matter.

Best Regards,

Ms Carmen Munoz
